EDUCATION

IES College of Technology
B.Tech in Computer Science
July 2017 - July 2021

SKILLS

Proficient in:

Python, R, Problem Solving, Git

Exposure in:

Postgresql, MYSQL, Data Structure

Visual Studio, pycharm, Rstudio

Coding Platforms (Ratings/Rank)

Hacker Rank **(6 star)**

Codechef **(2 star)**

HackerEarth (under 40k)

Leetcode (under 50k)

ACHIEVEMENTS & EXTRACURRICULARS

- **Top 10** in codathon 2020.
- **Top 200** in August circuit 7-day long coding contest by Hacker Earth.
- Cracker TCS-codevita 2019, 2020 national level coding competition.
- **Head-Coordinated** Tech-Fest at IES College, 2020
- **Organized** Tech-Fest at IES College, 2019

Work Experience

Juspay Technologies Private Limited
Technical Product Analyst (Sep-2020 -Present)

- Responsibilities for making intelligent dashboards for analytics purposes and also that reports about any anomaly or unusual trend in data.
